PRINCIPAL'S MESSAGE

It is my sincere wish that every student who attended M. E. LaZerte will have learned that this school is a center which is open to all who wish to use it to help them continue to learn throughout life - that graduation from high school is symbolic of beginning a new phase in life - a phase which will require much personal effort to keep pace with change, maintain concern for others and contribute skills and talents for the well-being of the community. Best wishes to the citizens of M. E. LaZerte.

STUDENT'S UNION

Sellers Says:

As an organization, Student Union has been a small item in this school. But, this year we have brought the Union to new heights with activities like Faculty Council, voting on the lounge, and successful dances. We have the students to thank for that. Let's hope next year's Student Union reaches a greater step.

This club is one of the most popular of LaZerte's many clubs. The membership this year actually doubled. The school year was highlighted by "Support the Administration Day" November 31. Following which was a formal banquet held in the telephone booth across from the school. The formal event crescendoed with a dance featuring the famous tin horn and tuba sections of the Edmonton Symphony Orchestra. Other activities this year included a giant pep rally in the south gym during which the administration were to be introduced. Strangely enough they didn't show, much to the disappointment of the club members. But to end on a higher note, the club sponsored a Talent Show to allow the administration to show off. The show lasted three minutes, due to lack of talent but, the audience of five people loved and enjoyed every second of it just the same. We are sure that our club will grow to bigger and better heights next year and we are expecting our membership to double again. Until next year remember our motto: "Support your Administration." You had better because Big Brother is Watching . . .

YEARBOOK STAFF

LaZerte provides the opportunity for a student to find his own route into the world, in doing so however, his tolerances and abilities are constantly being tested. It is through this that the student must stray from the "curriculum" and become involved with the human part of the school. Friends are made and teachers become more than instructors - however, it is up to the individual as to how deep he wishes to look for friendship and security.

M. E. LaZerte is unique in that students are given almost total freedom through responsibility. It is for this reason that most people feel that LaZerte is a step to the future.

Personally I would not wish to go to any other High School and if I had to do it all over again M. E. LaZerte would be my choice. As Yearbook editor I experienced frustration as well as fascination. It is through this experience that I hope that this year's edition of Portage will bring many fond memories to the people who made "the life" at M. E. LaZerte.

The image features a complex, abstract pattern of fine, concentric lines that create a sense of depth and movement. These lines form a series of teardrop or oval shapes, some of which are filled with a solid black color, while others are white with a black outline. The overall effect is reminiscent of a topographical map or a microscopic view of a textured surface. The pattern is dense and covers the entire frame, with the word 'LITERARY' positioned in the lower-left corner.

LITERARY

After the Fall

After the fall,
I told myself
it didn't really matter
at all, at all . . .
And I was almost convinced
yes, I almost believed
that, through my unanimity
in the universe,
all the responsibility
was relieved.
But then I caught a fleeting glimpse
of a woman in a mirror:
the guilt-greyed eyes,
the pallor of the cheeks,
the air of defeat.
And I was overcome -
overcome by remorse, by regret,
overcome by failure . . .
Then I cried and I cried
and I cry still,
for I have fallen, and
must learn again to stand
for it isn't enough to say
it doesn't really matter at all.
It does matter, and that, indeed,
is the only thing of significance.

- Cindy McCinley

The First Time I Saw Your Face

The first time ever I saw your face
I thought the sun rose in your eyes,
And the moon and stars were the gift you gave
To the dark and empty skies, my love,
To the dark and empty skies.

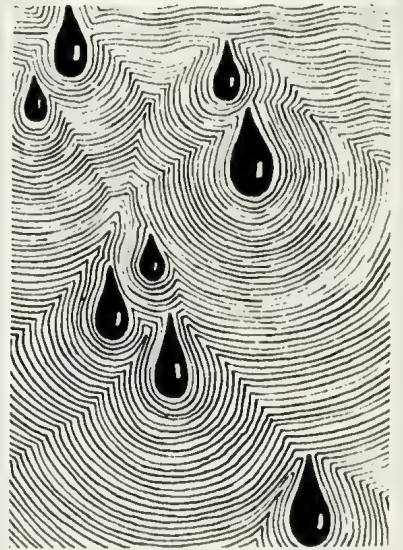

The first time ever I kissed your mouth,
I felt the earth move in my hand,
Like the trembling heart of a captive bird
That was there at my command, my love,
That was there at my command.

The first time ever I lay with you
And felt your heartbeat close to mine,
I thought our joy would fill the earth
And last till the end of time, my love,
And last till the end of time.

Ewan MacColl

we stood in the pouring rain,
 trying to touch the sky with our fingers
 we lifted our faces,
 to let the rain trickle down
 our laughing throats
 the raindrops on the trees
 shone like diamonds
 and the sound of the thunder
 moved through me,
 like a song.

- Carol Alexander

I found a hope seed,
 planted it in my emptiness garden.
 I was watering, working . . . I sweltered,
 hope it to sprout, to grow, to flower and to fruit.
 In this green garden,
 everyone were blossoming their lives,
 Did you see a blade of grass?
 They were moving life's green flags.

- Stella Chiu

i have loved
many people in my life
but none like you

the light that was yours
shone on me
i knew,
sadness
when you left
knowing
that a part of my life
had gone too

you will always be
in the corners of my mind,
easily brought forth
when i remember you
and the smiles
the laughter
that we shared
joy, when we danced
and love,
gentle love
when we were together.

- Carol Alexander

Childhood

If one day time can go back,
We can pick up the days we lose,
Weather from cold change to warm.
Spring come after summer.

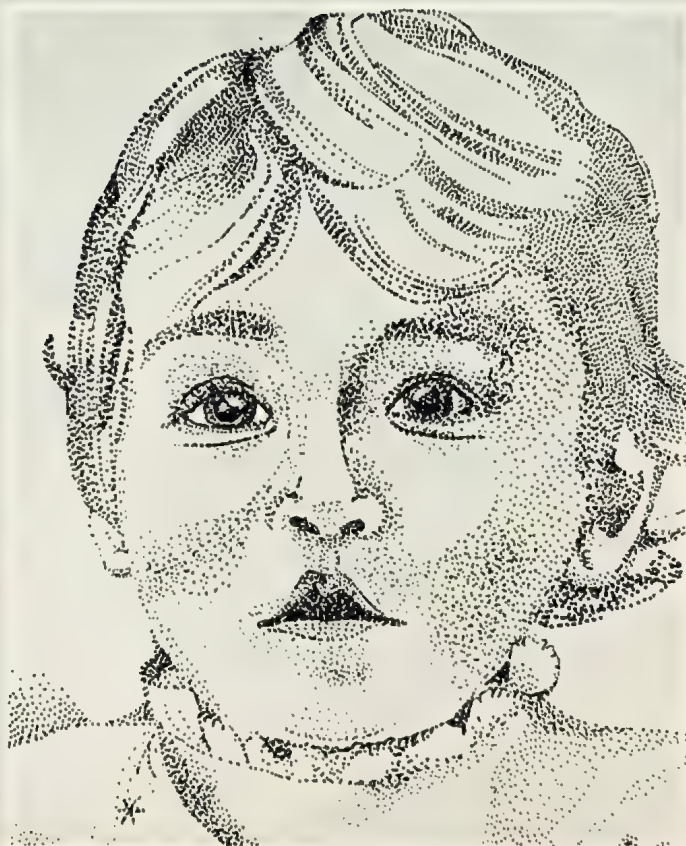

A blossoming flower to change a sprout,
then we can say good-bye to our aged;
go back to our lovely childhood.

Every morning we
playing games,
telling stories,
making fun.

Every night we
sleep well.
Life is happy and strange.

Now I know that just my imagination,
The past will never come back.
I can't have that lovely youth,
I lose my beautiful childhood forever.

All the money in the world
Could not buy a friend
Or pay
For the loss of one.

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
I took the one less traveled by,
And that has made all the difference.

- Robert Frost (1874-1963)

A Kiss

an unwritten poem
a delicate probing
an unsigned treaty of human bondage
a familiar thing but so different each time
an unsung song
a reaching but never quite touching
an understood silence
a forgotten dream
a finished painting that never was
a broken promise kept
an unrehearsed piece of music
a snowflaked eyelash
the most complicated simplicity
the budding of spring's second rose
an untaken vow
an old, worn out picture
a loser in the winner's circle

. . . a moment in passing . . .

INSTANT REPLAY

I DON'T CARE HOW BIG THE OTHER
TEAM IS -- YOU GUYS WILL HAVE
TO USE YOUR REGULAR UNIFORMS!

SENIOR FOOTBALL TEAM

Team Members

BACK ROW: Russell Hewitt, Roy Smitshoek, Garth Rowswell, Neil Hewitt, Ron Thompson, Mike Stevenson, Dave Paley, Doug Steele, Allan Montpellier, Kevin Serick, Tim Ramstad, Dave Boychuk. FRONT ROW: Erol Dogan, Terry Espin, Rick Mellon, Ken Gaudin, Graham Newbold, George Stewart, Bob Varga, Murray Heath. COACH: Mr. E. Oberle.

The Senior Football Team had its best season in Voyageur history. They won their first game by defeating Scona 21 - 7. There was terrific support by the football fans but, the team hopes their numbers will increase next year. With such a good showing from both Senior and junior teams this year, next year promises to be a "banner" year.

SENIOR BOYS' VOLLEYBALL

As a whole the team played exceptionally well. They placed second in city and third in the province . . . the same old story beaten by *?//!* Bonnie Doon. But not all the time, they beat the Lancers in the U. of A. Invitational and placed FIRST!

The following is an exclusive player profile of the senior boys' team direct from the locker room:

KULDIP: Strong player recruited from the India National Volleyball Team.

KEVIN: Well-developed hands, but the only player who looks like a frog when he's jumping.

GARY: Great court movement - but no graceful movements. (At last this guy is leaving.) OR

GRANT: Graceful movements but no great court movements. (At last this guy is also leaving.)

DARYLL: Not the same as last year, but he tries hard. Keep on truckin'!

HAL: Well, his hair didn't catch on fire but the volleyballs he spiked sure did. (Have you ever played hot potato V. ball style?)

TERRY: Recruited from the Polish National V. ball team. Alias "Mittsey".

ROB: Holds world record for walking on his hands. (It's pretty hard to spike with your feet.)

WOLFGANG: Recruited from the Austrian National Team. Will be back next year if he doesn't get his head stuck in a basketball rim.

MR. MILLER (Coach): Set a world record by swallowing 124 tranquilizers in just one time-out. (That's six per second!) Keep up the great coaching, we need it!

ALLAN BRIGGS (Manager): Thanks for drinking all our water before our time-outs. You can keep all of Mr. Miller's 326 empty pill bottles.

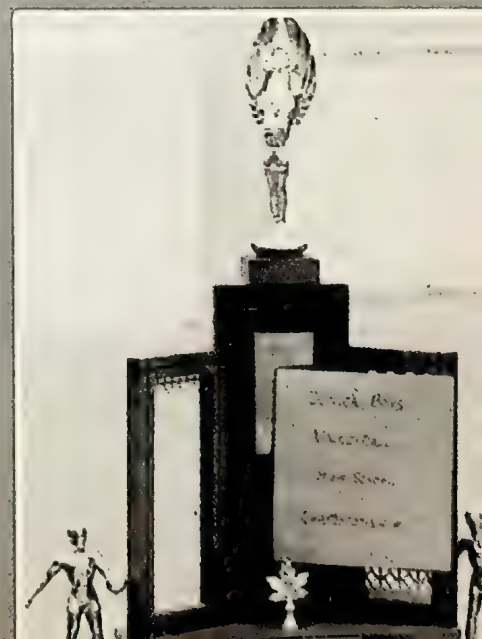

BACK ROW: Robert Thirlwell, Grant Noel, Wolfgang Bechstein, Kevin Speer, Terry Willis-ko. **FRONT ROW:** Gary Noel, Kuldip Delhon, Hal Booth, Daryll Laprade, Missing; Mr. Miller, Coach; Allan Briggs, Manager.

JUNIOR BOYS' VOLLEYBALL

The team played 42 regular season games. They won 33, and lost only nine. The team played 13 play-off games won nine of them and thus won the City Junior Championships. The team had the only V. ball manager ever to score a point . . . against them (for failing to enter the line-up before a game.) But, despite this adversity they won the game.

BACK ROW: Al Speer, Ross Moore, Brian Hollands, Bob White, Todd Moxley. FRONT ROW: Ludwig Ernst, Kevin Warawa, Lee Hardman, Larry Hutchison, Robert Paradis, Mr. Harris, Coach; Lane Fotty, Manager.

SENIOR GIRLS' VOLLEYBALL

The team had a very successful year finishing first in their league. But, they lost to Eastglen in the semi-finals to finish third in the city. The girls participated in the U. of A. Volleyball Tournament. The team finished third, beating teams from all over Northern Alberta. Despite the excellent quality of play the girls displayed, school support was lacking. This will have to be remedied next season. Congratulations girls on a great team effort and season.

JUNIOR GIRLS' VOLLEYBALL

This year the team finished in third spot in their conference with the team improving immensely from the beginning to the end of the season. The team defeated O'Leary in a play-off in a best of five match. The girls did very well in spite of the lack of support they got at the games. Comment for next year's team "If you want to do well you must be prepared to work hard."

SENIOR GIRLS' BASKETBALL

The team had an outstanding year this year 26 games - 26 wins, 0 losses 6 exhibition, 14 league, 3 city and 3 provincial. They came in first place in city "A" and first place in Provincial "A". In the Provincials the team was awarded the Percy Page Memorial Trophy as well as the trophy for the team with the most sportsman like behavior. The team is very proud of both achievements. The number of fans to the games was few but they were very loyal and supported the team with much enthusiasm. The team wishes to express their thanks to these people and special thanks to all of their provincial supporters. Good luck for a great season next year.

JUNIOR GIRLS' BASKETBALL

The girls had a pretty good season this year. The team felt they could have won the city finals but, they tried too hard and lost out. They too lacked support at their games. The girls were glad to have Kevin Stevenson to ref., because they felt he was good and besides he was from LaZerte. Next season the team feels it will have the city finals all wrapped up.
